^Δ Applicable to a family (of 3 members or more) that enrolls in any top-up plans. All family members must enrol together. [#] If spouse and child(ren) are not existing Blue Cross Group Medical Insurance Member (Group Member), health declaration is required and subject to underwriting. Pre-existing conditions will not be covered. ^{*} Please note that the definition of Policy Effective Date is different under Top-up and Conversion Option. The Benefit Coverage for an insured under this policy shall become effective on the later of the following: a) policy effective date; b) insured effective date; or c) policy issue date of the first period of insurance. If the insured is still confined in a hospital on the day on which his coverage under this policy would have otherwise become effective, the coverage for such insured will only become effective on the next day following his discharge from such confinement. ^Δ Reimbursement options: 1) Benefit Sub-limit per disability; 2) Lump Sum per policy year.

Note: Age refers to the nearest birthday. If your next birthday falls within the coming 6 months from the enrolment date, the premium rate will be charged according to your next age attained. Otherwise, it will be charged based on your current age. Policy effective date will be used to determine the age attained if it is different from the enrolment date.
